

## ? (Are muslims around the world today (muslims

When we talk about the reality of the people today, we are talking in general, and you, reader, are not a part of this phenomenon, do not say that we mischaracterized the reality just because of that, we are talking about the general people

- **religious reality**
- **section 1**
- **section 2**

### **Religious reality**

.We have religious people, and the others, and we can divide people into two basic parts

#### **Section I**

They are the majority of people, who don't have enough information or knowledge's about Islam , they know only from Islam to pronounce the two testimonies, and to come up with rites that they inherited from their parents, mostly adhering to the jurisprudence of a particular doctrine, but they often do not know the name of their doctrine

This section of people has an affiliation with the Islamic identity, and it is the one that arises . most often when the Islamic symbols are abused

#### **Section II**

They are mostly if not all divided into various groups , like : Sunnis AL- Jama'a, and Shiites, and within each group there are many groups

,This class of people has mostly familiar with the doctrine that follows and belongs to him

. From them we find the scholars of the nation today leading the fatwa followed by people

:The common features of this breed are\*

. They don't use ( Qur'an and Sunnah) only as a source of legislation in islam

Some of them don't trust on the messenger of Allah, peace be upon him, for each of them

. has his imam who imitates him with pride
